

ARC

In their new draft National Medical Commission has amended Medical Council of India regulation 2009 for prevention & prohibition of ragging in Medical College / Institution.

Objective of this regulation is to root out ragging in all its form from Medical College / Institutions in the country by prohibiting it by law, preventing its occurrence by following the provisions of these regulations & punishing those who indulge in ragging as provided for in these regulations & the appropriate law in force.

Accordingly we have constituted on 15/06/2008 an Antiragging Committee as per MCI, UGC & NMC requirements.

There are 24 members present in this committee. These members are from different streams.

The list of Antiragging committee is as follows.
