Dhule Camp 2024

We, Yash Sakaria and Arathi Nambiar, Interns from Nair hospital AST department got the opportunity to attend Dhule Camp 2024 camp as a Speech language pathologist which was organised by Dr. Anaita Hegde ma'am. The camp was of 2 days from 28/11/24 to 30/11/24 .

Total 448 cases were seen out of which we as a speech language pathologist saw 241 cases. For two days we were exposed to different types of cases like Global Developmental Delay, Intellectual Disability, Down's Syndrome, Cerebral Palsy, etc. Majority of the children were diagnosed with cerebral palsy.

It was our first medical camp experience and we got to learn many new things - About the case load , effective treatment in limited time, importance of counselling, and referrals, etc.

The children and caregivers were given a demonstration of how to use Jellow App as an Alternative Communication to express. The children with swallowing issues were demonstrated Swallowing exercises to aid safe and adequate swallow. The children with hearing impairment were guided to the two institutes in Mumbai- AST Department in Nair Hospital and Ali Yavar Jung Institute for the further process of procuring hearing aids and further auditory training.

We personally had the experience of learning to how to provide services in a camp and cater to the needs of the children and parents and caregivers. We also had the opportunity to interact with different professionals of different disciplines and departments and to know how their work is. It was hands on work experience for us to be in the Camp and gave us an opportunity to learn how to do therapy in limited time frame and limited resources. We even had the opportunity to reflect on the trust and love the children and the caregivers gave even during the limited time span.

It was an enriching and fulfilling experience which we will remember and cherish for life and serves us as a motivation to involve ourselves in such camps in the future.
